REPORT OF THE FIRE DEPARTMENT 1977

During the year 1977 the Fire Department responded to 86 calls. Because of the increase in the use of wood stoves and fireplaces, chimney fires are still steadily increasing. We would like to remind all residents to inspect their chimneys for build up of soot or cracks in flue lines or the chimney masonry. The Fire Department was active this year in the Hampden County Mutual Aid Association. The Scantic Valley Muster Team participated in various musters throughout Mass., New Hampshire and New York.

I would like to thank the Police and Highway Departments for their cooperation throughout the year.

11 House	1 Bomb Scare	2 False Alarms
5 Barn	19 Car Fires	32 Grass
11 Chimney	1 Dump	4 Mutual Aid calls

Respectfully submitted,
Richard A. Hatch
Chief of Fire Department

MODERATOR'S REPORT

Just for a change I'll try to rhyme
the events that occurred at Town Meeting time.

The Annual Meeting in April was the main event.
Articles approved raised our taxes by ten percent.

Thirty six articles were on the agenda
and schools took the prize as the big spender.
Teacher's salaries were the cause of much debate
because contract settlements awaited a later date.

Some wished to anticipate what teachers would get,
others were adamant that we don't tell them yet.
For awhile confusion reigned upon the floor,
it seems we need to communicate more.

Other articles in the warrant were not so contested
and it didn't take long before they were rested,
thanks to the wisdom of the voters who attended.
Any article not applicable was quickly amended.

A special town meeting was held in June
because the fiscal years end was due up soon.
There were matters to which we had to attend
or be denied state monies we wanted to spend.

A Special Meeting also was held in December,
just six days before Christmas and I clearly remember
we played Santa Claus to Homer and bought a new truck
but radios for school busses enjoyed no such luck.

This year is unique and after one hundred years
Hampden has a history that deserves only cheers.
So please attend Town Meetings and speak from the floor
and assure through your efforts a proud one hundred more.

REPORT OF THE HAMPDEN HOUSING AUTHORITY

The Hampden Housing Authority is pleased to report that the Housing for the Elderly Project on Somers Road has become a reality. At the writing of this report, the total project is 92% Completed and occupancy is expected in about four weeks which means about March 15, 1978.

The ground breaking ceremony was held on May 26, 1977. More than one hundred townspeople plus state and local officials participated in the ceremony. Included were State Senator Robert Wetmore, State Representative John Perry, William G. Flynn, Secretary of the Department of Community Affairs, Arthur Kimber, Regional Director of the Department of Community Affairs, Michael Creanza, Department of Community Affairs, Reverend Fasth, The Honorable Board of Selectmen, Town of Hampden, and nearly all other town officers who were able to attend. Chairman George Kealy presided. Also in attendance was the original appointed Committee comprised of William Olmstead, Donald Wilcox, Helen Larson, Gertrude Lyons, and Virginia Fasth.

The general contractor, E.A. Gralia Construction Company, began actual site work in May of 1977, with a planned completion date of April 1978.

Mr. Gordon Willcutt of Hampden was appointed Clerk of the Works to oversee the project on behalf of the Authority.

Work progressed at a more than satisfactory pace and by Jan. 30, 1978, the following have been completed:

All fifty six units are virtually ready with the exception of some furniture which is not yet in place, the community room is completed, the most unique feature, a silo water tank with a 10,000 gallon capacity is also ready: sidewalks leading from the units to Somers Road and Meadowbrook Lane have been finished and shuffleboard areas are ready for use.

The Authority is in the process of selecting an executive director. The screening of more than 50 people for this position is presently in progress.

The director will oversee all activities and be generally responsible for the maintenance of the entire project. He will also serve as executive secretary of the Authority. Applications for tenent eligibility have been received by the Authority in great numbers and each will be screened by the executive director.

The Authority would like to thank all state and local officials who have been most cooperative in the planning and development of the project.

Respectfully submitted,
George J. Kealy, *Chairman*
Charles T. Schmitt, *Vice Chairman*
William T. Olmstead, *Treasurer*
Clifford Attleton, *Asst. Treasurer*
Florence Kirk, *Secretary*

REPORT OF THE HAMPDEN RECYCLE CENTER

This has been a big year for the Recycle Center.

FIRST: we moved the dumpsters back to the landfill area so people would not have to go out of their way in order to deposit their newspapers and glass.

SECOND: we had concrete pads built to put the dumpsters on so they could be picked up easily in the winter time.

THIRD: we built covers for the glass dumpster to prevent material other than glass from being deposited.

We picked up newspapers from the Mary Lyons Nursing home every Sat. and whenever called upon we pick up newspapers and glass from individuals who cannot get to the recycle center.

At present we have the paper dumpster dumped once a month and at 1,000 cubic feet per dumpster this is saving the landfill area 12,000 cubic feet of space a year. With your continued support it should add to the life of the landfill and save us all tax dollars.

There are three rotating Scout units involved in the recycle center, Cub Pack 171, Boy Scout Troop 171, and Explorer Post 171. All proceeds from the recycle center are divided equally among these units.

The recycle center is open every Sat. 9 - 4 and your continued support will be greatly appreciated.

Chairman

REPORT OF DOG OFFICER

During 1977, a total of 75 dogs were impounded when found running at large; of this number 7 dogs were sold, bringing \$5 each to the Town; 45 were redeemed by their owners, also bringing \$5 each to the Town; the remaining 23 were kept the required number of days and then destroyed. Reimbursement from the County amounted to \$310. This is an expense to the Town, and residents are cautioned that the restraining order remains in force - dogs must be under the control of owners at all times.

Nancy Huntington was forced to resign as Dog Officer, for health reasons, and Mr. Thomas Lyons of Scantic Road is now the Dog Officer. He may be reached at 8852 or at 737-7643, by anyone with dog problems.
