

TOWN CLERK

Finding the answers to questions we are often asked in the Clerk's office about zoning regulations, meeting dates, hunting violations and a number of those other "How do I find out about ...?" questions got a little easier for many people last year, thanks to John D Flynn. John has done a terrific job designing the Town's web site, keeping it current and making it very user friendly....even **I** can figure it out! Now he's made it easy for anyone with inter-net access to view or even download current versions of the Town's Zoning Bylaws or General Bylaws as well as continuing to provide links to a number of helpful sites. Especially now that budget cuts have resulted in staffing cuts, I'm sure I'm not the only one who would like to thank John for the time and effort he's put into this project. Thanks John, for a job well done!
