Public Comment; Jason Barroso requested a copy of the Tighe & BOND Peer Review Report on Glendale Road Development LLC.

Agenda Items:

1. Mt. Vision Determination: The Minnechaug Land Trust filed an RDA with the commission regarding entrance improvements to the Mt Vision hiking trail.. The improvements consist of relocation of a 140 ft section of the trail onto town owned conservation area and installation of a 15 inch asphalt corrugated pipe within the drainage ditch. The drainage ditch is not considered as a jurisdictional stream. The commission issued a negative #3 with seven conditions to help prevent erosion during construction. Permanent markers will be placed to designate private property along the 140 ft section.
2. A Continuation for the meeting with Danielle Plank until the September 21, 2022 meeting was voted upon and signed.
3. The Continuation for Glendale Development LLC until September 7, 2022 was voted upon and signed.
4. Cindi Connors will be reviewing the forest cutting plans and developing a user friendly file system for present and future commissioners.
