6:05 pm **PUBLIC HEARING:** The Board of Selectmen will hold a public hearing to discuss the merits of VOTE BY MAIL as directed below:

State law allows cities and towns to opt out of no-excuse early voting by mail in local elections. A city or town can only opt out of Vote by Mail for a local election after the city council or board of selectmen hold a public hearing and take a recorded vote to do so at least 45 days before the election.

If your community opts out of Vote by Mail for your local election, a Vote by Mail application will not be valid for that election.
