TRANSFER STATION AND RECYCLING STATION
Cross Road, Hampden, MA 01036

HOURS OF OPERATION:
FOR HOUSEHOLD TRASH DISPOSAL: Tues: 1-4 pm; Sat: 8 am-4 pm
RECYCLING: Tues: 1-4 pm; Saturday: 8 am-4 pm
ALL VEHICLES ENTERING THE TRANSFER STATION MUST HAVE A TRANSFER STATION STICKER.

The stickers are sold at the Board of Health office.
First car sticker costs if over 65 $20.00; additional stickers within the same household: $10.00
First car sticker costs if under 65 $40.00; additional stickers within the same household: $20.00

Stickers are valid for one year and expire on June 30th of the following year.

HOUSEHOLD TRASH
All household trash must be disposed of in yellow preprinted bags purchased from the following locations:

- Board of Health Office
- Transfer Station
- Council on Aging / Senior Center

The bags are sold in packages of 10.
16 Gallon bags= $10.00
33 Gallon bags= $25.00

Massachusetts prohibits the disposal of the following items:

- Paper and cardboard
- Bottles and cans
- Narrow neck plastics
- Leaves and yard waste
- Car batteries
- TV's and computers
- Large home appliances
- Hazardous waste

Be sure to keep these items out of your trash.
What are considered hazardous items?

Products with labels that say “caustic”, “toxic”, “corrosive”, “poison”, “flammable”, “warning”, “danger”, or “caution”, are considered hazardous items.

Examples: antifreeze, mercury, creosote, chemistry kits, DDT, drain cleaners, fertilizers, pesticides, gasoline, pool chemicals, paint thinner, wood stain, lead based paint, brake fluid, etc. Call the Board of Health office for a complete list.

Wait for the annual Household Hazardous Waste Collection Day, held in September of every year, to dispose of these items.

Look for the Bulk Disposal Day, Spring 2016 at the Transfer Station – call for an appointment.

Recycling Information

Recycling – It’s easier than you think!

Recycling requirements have changed over the years, making it even simpler for you to take part. You no longer have to remove labels or keep track of many other recycling rules. Most items can just be dropped in the bin!

Your efforts are making a difference!

Our town sends its recyclable materials to the Springfield Material Recycling Facility (MRF). Last year, the “MRF” collected more than 50,000 tons of recyclables from communities in Western Massachusetts. That included enough paper to save 595,000 trees and enough plastic soda bottles to make 160,000 fleece jackets. Enough energy was saved by recycling aluminum cans to run a refrigerator for 65,500 days. You have helped make our recycling program a success. With your continued commitment, we will achieve our recycling goals. Keep up the good work!

  - Grills
  - Side-view mirrors
  - Head lights & Rear lights
  - Hub-caps, etc

MORE RECYCLING TIPS

Clothing:
Collection box at the Transfer Station, Goodwill and Salvation Army take clothes, draperies, etc.

Books:
Donate to libraries. Some bookstores buy used books.

Wire Hangers:
Accepted by many dry cleaners in the region. May be accepted in scrap metal bin if hangers have no plastic.

Plastic Bags:
Recycled at some area supermarkets

Polystyrene "Peanuts":
Call 1-800-828-2214 or 1-800-789-4623

Updated 150319
Motor Oil and Paint Disposal

*Used motor oil* is accepted at Auto Zone and other stores where motor oil can be purchased. Do not bring this to the Hazardous Waste Collection Day.

*Latex paints* can be disposed of with your regular trash after it is allowed to dry out. See the drying procedure below.

**Empty Cans:**
Remove the lid and let dry completely to a solid state. Place in your trash. If it does not completely dry, treat as a partial can.

**Partially Full Cans:**
Remove the lid. Pour in absorbent kitty litter. Stir the mixture. Let dry to a solid state — usually happens overnight. Check to make sure that it is completely dry. If there is still liquid residue left, repeat the procedure. Once paint is completely dry, place can without lid in the trash. Place lid separately in the trash.

*Stains and Lead based Paints should be saved for Hazardous Waste Collection Day.*

WHAT ABOUT TIRES, BATTERIES, OLD CELL PHONES?

**Car tires:**
Remove the rim, place the rubber tire in a 33 gallon trash bag (only 1 tire per bag) and this can be disposed of as trash. You may throw the rim in the scrap metal recycling container.

**Alkaline batteries** can be thrown in the regular trash.

**Rechargeable batteries** should be recycled. Most Radio Shack stores & national hardware chains have free drop boxes.

**Old cell phones** must be recycled. While the toxic materials (including arsenic in semiconductors) in a single phone are minimal, consider the number of discarded cell phones in the relatively short time the technology has been available. Throwing these devices in landfills will cause lasting damage to the environment. There are various recycling programs and drop off centers for recycling. The phones are either refurbished and used for domestic violence victims or taken apart and the various components recycled. Please call your cell phone company to get information on their recycling program or drop off center.

There was one dog quarantined due to wounds of unknown origin, and six dog bites to humans and two cat bites to humans. There were six dogs, five cats and nine horses quarantined due to wildlife exposure. There was one dog to dog attack.

Respectfully submitted:

Shelley Sears
Animal Inspector
The Board of Appeals heard five (5) hearings in 2015 as indicated below:

2015-1  A request under Section 7.8, Earth Removal, to allow the construction of three additional residential homes. Petition granted.

2015-2  A request under Section 7.613, Signs General Standards, to appeal the decision of the Building Inspector regarding a sign permit application which was denied. Application withdrawn without prejudice.

2015-3  A request under Section 7.14, Wireless Communications, to remove antenna panels on an existing tower and replace with upgraded antenna panels; and to add 3 remote radio heads. Petition granted.

2015-4  A request under Section 7.14, Wireless Communications, to remove antenna panels on an existing tower and replace with upgraded antenna panels. Petition granted.

2015-5  A request under Section 7.2, Side Yard Setback, to build a two-car garage and mudroom within the side yard setback. Petition granted.
BOARD OF ASSESSORS

The Board of Assessors would like to congratulate Norm Charest who was elected to another 3 year term.

This board is a strong supporter of education and training. Our assistant assessor Carolyn Reed received her MAA assessor certification and was promoted to the principal assessor position. Maryann Wilkinson is also continuing her education with an eye toward certification in the future. The board also participates in annual meetings and seminars. Continued education will give us a more comprehensive understanding of the process of assessing and current Department of Revenue requirements.

The board and our employees continue with improvements to office effectiveness and efficiency. Our increased hours seem to be well received by our citizens and customers.

The Board of Assessors coordinated with the Senior Center and offered an informational day to help citizens understand different exemption programs. The board continues to work with the selectmen’s office on the senior work program. The board supports this program but cautions applicants that currently receive certain statutory exemptions that increased income from the program could jeopardize their exemption. The applicant should fully and thoroughly consider the possible impact of increased income against received benefit. Our office will be available for information with regard to this consideration.

The Board would like to thank all town officials and townhouse staff members who assist our office throughout the year.

Norman Charest, Chairman
Robert Makuch, Assessor
Stanley Witkop, Assessor
Carolyn Reed, Principal Assessor
Maryann Wilkinson, Clerk
The Transfer Station is being used by approximately 655 households. This past year 271 tons of solid waste and 167 tons of recyclable materials were processed. The Recycling Center is open the same hours as the Transfer Station in order to make it more convenient for all town residents to recycle. We have the addition of a new shed so the Recycling attendance can get out of the weather and not have to use their cars to keep warm up in. The shed came at almost no cost as we sold the two metal trailers and had an anonymous donation.

The Town held Bulk Removal Days in April and November. Many residents took advantage of this service. Items were processed including: TVs, computer components and stereo equipment. Also taken in were: white good items (some containing CFC’s) such as refrigerators, freezers, microwaves, stoves and dehumidifiers. Other recycled items were: car/lawn tractor batteries, metal furniture, lawn/garden tools, lawnmowers and car parts. In speaking with the residents who participated: “they were very pleased to have this service and asked to have it offered again”.

We have a clothing donation box from Hartsprings, Big Brother, Big Sister. We have not had any reports from the company as to total usage but are hopeful it will be a help to the community.

The Transfer Station underwent its annual Compliance Report in September and we are pleased to report that again we received an excellent rating. Noted were our physical cleanliness and hard work of our attendants.

The Transfer Station is except Ridged Plastic. For a list of acceptable items visit the Transfer Station. Look for the mailbox in the recycling center for the newest and most valuable information on recycling. The Board of Health would like to thank the people that keep the transfer station running smoothly on a weekly basis, Carroll Willey, Dennis Hackett and Carl Paulson. We also thank Highway Superintendent, Dana Pixley and the Highway Department for their work on the pad for the shed and their continuous help in keeping the Transfer Station repaired, plowed, shoveled, mowed and looking beautiful. For more information on how to use the transfer station, please refer to the Transfer Station Information section of this Town Report.

On April 5, 2014, we held our annual Rabies Clinic at the Highway Department Garage. This year approximately 27 dogs/cats were vaccinated and licensed. We thank Dr. Penny Peck, Town Clerk, Eva Wiseman and the Girl Scouts for organizing this important event.
On September 12th, we participated in the Regional Household Hazardous Waste Day held at Minnechaug Regional High School. During this event, Hampden had a record breaking 849 gallons of hazardous waste that was disposed of properly. There were six towns involved in this event with a total of 6,987 gallons disposed of. The next hazardous waste day will be held September 2016. Please contact our office for more information.

The Board of Health and the C.O.A. did not hold a flu clinic in November however CVS came to the Senior Center and performed a flu clinic.

The Board of Health and Lorri McCool, Hampden Board of Health Agent, continues to work with the Hampden County Health Coalition (HCHC) and the Hampden Wilbraham Medical Reserve Core in preparing our emergency response plans and securing equipment.

In April and October the Hampden Board of Health along with the Hampden Police Department held a National Drug Take Back Day. During the hours of 10 am until 2:00 pm the departments received approximately 80 pounds of drugs. The drugs had to be in pill form, we could not take syringes or liquids. They could be either prescription drugs or over the counter drugs that are expired.

The upcoming year will continue to focus on increasing the capacity, capability and level of preparedness for routine and emergency public health events. If interested in volunteering on this project please call the Board of Health.

We encourage you to visit our website, www.hampden.org. There you will be able to access forms required for percolation testing and disposal works construction. You will also find Title V and Transfer Station information as well as upcoming events.

Respectfully submitted,
Jane M. Budynkiewicz, Board of Health Coordinator
John D. Flynn, Chair Board of Health
Vincent Villamaino

BOARD OF SELECTMEN

The last year brought new challenges to our community, but as in past years, we have continued to face them, with the help of all of our citizens and neighbors.

The new Police Station nears completion. When it is completed, our Town will have a state of the art facility to provide the services that we need and deserve. As always, our force does an exemplary job in maintaining the security of all.

The Town has entered into two contracts with Ameresco, a solar company, to install solar generation on the Town landfill. When it is complete, the Town will benefit from both reduced electric rates for municipal use, and added revenue, which will lessen the property tax burden on residents.

The Board was notified that we have been approved for distribution of the Casino Mitigation Fund, and our amount will be determined after the opening of the casino.

An ongoing challenge is preserving our strong history of academic excellence in Hampden, in the face of declining enrollments in the Hampden Wilbraham Regional District. This is something that affects all in Hampden and Wilbraham, and there has been strong participation from our communities in determining different solutions. We are committed to honoring the wishes of the Town and we continue to stress the needs of our children as their education is of paramount importance for their future success.

One of the bigger challenges we face is the upcoming retirement of our Highway Superintendent Dana Pixley, and his subsequent replacement. His presence has continued a long line of leadership at the Highway Department that has always provided us with, in our opinion, the finest infrastructure of any town in Massachusetts! Thank you Dana! The Town owes you a debt of gratitude for a job well done, for being ever conscious of your budget and making do with the help of your talented staff. Here’s to a retirement well deserved!

The board wishes to thank all of the elected and appointed officials with whom we serve. Through a true team approach, we remain committed to improving our quality of life in Hampden. The efforts of Dana Pixley, Jeff Faresworth, Becky Moriarty, Mike Gorski and Wendel Hulbert and their respective staffs have been invaluable. As always we would be nowhere without the assistance in our offices from Pamela Courtney and Jane Budynkiewicz. Most importantly we thank you, the voters for whom we are here to serve.

Respectfully submitted,

John D. Flynn  
Vincent J. Villamaino Chairman  
Norman Charest

The Building Department would like to remind you that Building Permits are required for roofing, siding, replacement windows, wood or pellet stoves, accessory buildings as well as new construction.

The Town of Hampden has approved Regulations for Outdoor Wood-fired Boilers/Furnaces. Plumbing and electrical permits are required as part of the installation process as well as a permit from the Board of Health.

The Building Department would like to thank Lance Trevallion for his many years of hard work and service as the Building Inspector, along with Jane Budynkiewicz who worked as his clerical staff. A thank you as well to Madeline Jodoin for joining the ranks and helping in the department.

Respectfully submitted,

Wendel Hulbert
Building Inspector
HAMPDEN CEMETERY COMMISSION

The Commissioners have been active overseeing the maintenance of Prospect Hill and Old Cemetery. Arrangements are made for the excavation and refilling of a grave at the time of internment.

Activities this year also included marking out several graves for the installation of monuments and the placement of corner markers on several lots. The Cemetery Commissioners office is currently accepting bids for lawn maintenance at both cemeteries. Our current records consist of paper maps and excel spreadsheets. We also have the records on our computer system. We continue the process of reviewing the maps of both cemeteries showing the actual lot and the names of those interred. We are researching options that may be available to help defray costs of redrawing the maps. New lots will have to be added to our existing maps and also to our computer system.

Prospect Hill and Old Cemetery have been actively overseen by our commissioners this year and were responsible for making the arrangements for internments, stonework, excavations and corner markers. GMH Fence Co. installed a new Western Red Cedar fence at Old Cemetery to mark the cemetery property line and residential property lines. The cost of the fence was funded by CPC. Several lots were sold and space is still available. The new section in Old Cemetery will be sold as flat stone lots only.

Please remember that the maintenance of anything planted in the gravesites is the responsibility of the owner. Plantings that exceed the boundaries of the gravesite should be removed. Please dispose of your trash in the barrels provided at the cemeteries. These are country cemeteries; please do your part to maintain the beauty of these spots.

Commissioners may be contacted at anytime by calling (413) 566-2151, ext. 111 and leaving a message.

Respectfully submitted:

Cemetery Commissioners

Mindy Meeker, Chairman
Edward Loiko
Tim Connors
Ann Daly, Clerk
CONSERVATION COMMISSION

The Conservation Commission is an appointed board consisting of residents who volunteer their time to promote stewardship of local conservation lands and to implement the Massachusetts Wetland Protection Act and Regulations and the Hampden Wetland By-laws. The Conservation Commission currently has six members.

The Commission meets on the third Wednesday of every month at 7:00 PM in the Melville Room at the Town Hall. This year the Commission has held twelve regular meetings, five special meetings as well as the seven site inspections. Meetings are posted on the Town Hall board and in The Reminder. This year we have reviewed six filings for Request for Determinations, five Notices of Intent, one Order of Conditions, two Extensions, and one Violation. The Conservation Commission also responds to concerns from town residents regarding possible wetland violations. Site visits have been completed on all reported concerns and appropriate action has been taken when needed.

We always welcome proactive people interested in preserving our Town's natural resources. If you have any questions regarding our scope and procedures, you can contact us by phone, mail or by attending any of our meetings.

Respectively submitted for the commission,

Bonnie Geromini, Chairman
Phil Grant
Ted Zebert
Judy McKinley Brewer
Tim Hanley
Andrew Netherwood
HAMPDEN COUNCIL ON AGING

The Hampden Senior Center exists to serve the senior population of Hampden by offering activities and support services. Services available include but are not limited to: Care Management, Monthly health screenings, Congregate meals, Insurance Counseling (SHINE), Transportation Assistance, Outreach, Brown Bag Program, Prescription Plan Assistance, Lock box program, File of Life, Fuel Assistance, Administration of the Hampden Emergency Fuel Fund, Entertainment/Social Events, Health and Wellness, Tax Assistance, Recreation/hobbies/arts/crafts & games and the monthly Scantic Scribe newsletter. We continue to strive to identify the needs of the senior population in Hampden and try to best meet those needs with programs and services.

The Senior Center is open Monday through Friday from 9:00 A.M. – 3:00 P.M. Lunch is served daily at 11:30 under the direction of meal site manager Karen Jones with help from amazing volunteers. Greater Springfield Senior Services funds and caters the congregate meal site.

The senior center staff continues to go above and beyond in order to meet the needs of the older adults in this community. Sincere thanks to Doreen Rauch, Nan Hurlbut, Wendy Turer, Holly Normoyle and Rudie Voight for another great year! The office staff would not be complete without dedicated afternoon volunteer receptionists: Debbie Mahoney, Ceci Melville, Elaine Robbins, and Bobbi Grant.

Our activities calendar was packed last year as we celebrated holidays, enjoyed monthly breakfasts, and had some fun night programs during our daylight savings time evening hours. We brought in many educational speakers, hosted the annual flu shot clinic, blood pressure clinic twice a week and continued to offer our ongoing programs; exercise classes, jewelry, movies, art classes and more! We were also able to host three evidence based programs through Greater Springfield Senior Services; Healthy Eating, My Life My Health and Matter of Balance. As well as the AAA Safe Driving class, a Medicare open enrollment seminar and a programming showcase that hi-lighted the many great programs offered here at the center.

Most people know about the activities and programs that we offer at the senior center, but it’s the behind the scenes programs and assistance that also need to be recognized. In 2015, 75 people were assisted with fuel assistance applications, 8 families were helped by the Hampden Emergency Fuel Fund, 55 people receive an ongoing monthly Brown Bag of groceries in conjunction with the Food Bank of Western MA, 31 people have a lock box on their house, home visits were made to homebound residents needing assistance, over 50 received SHINE counseling, medical equipment was loaned to numerous individuals and wellness checks were made in conjunction with the Hampden Police Department. The outreach department continues to encourage residents to maintain an updated File of Life to assist emergency personnel in the event of a medical crisis.

Teaming up with the community, the Stocking for Senior’s program was again a success. With the help of the knitting and quilting groups, and individuals in the community, 100 stockings were made and filled with personal needs items and treats for the residents of Wingate at Hampden. The residents also received beautiful lap robes and quilts. The knitting group continues year after year to make hats and mittens and donate to Hampden schools as well as schools in Springfield for children in need.

The Friends of Hampden Seniors continue to support the senior center by raising money at delicious dinners and bi-annual craft sales. The Friends generously pay for the mailing of the Scantic Scribe each month. Friends support this year included entertainment, supplies, support of the Two Town Trolley, scholarship funds and more. The Friends continue to work hard to support the senior center and we appreciate all of their efforts.
HAMPDEN COUNCIL ON AGING P2

This year we were pleased to have another fundraiser dinner performance by the Hampden Senior Center Rockin’ Chair Players, a theater group made up of talented people from the community. “Death at the Deli”, written by Nan Hurlburt and Bobbi Grant, was played to a sold out audience for three nights in a row! This fundraiser event was catered by the Village Mart (thanks Gary!) and proceeds were tremendous. The Hampden Senior Center and the Hampden Lions Club both benefited from this event. Watch for more exciting shows in the future! Thank you to all who participated in this great event.

Thank you to the Hampden Lions Club for continuing to pay for the paper used to print the Scribe.

As in years past this report would not be complete without giving thanks to the over 70 volunteers who gave over 4000 hours of their time to the senior center in 2015. Volunteers not only provide their talents here at the senior center, but around town as well. Volunteers are helping in the office, the kitchen, the gardens, with activities & programs, decorating the building, collating the monthly newsletter, providing transportation and so many other programs too numerous to list. Thank you to all of the senior center volunteers!!

After 20 years, Patricia Clark resigned from serving on the COA Board. Pat brought a wealth of knowledge to the board and her presence will be missed. Thank you, Pat, for your years of dedicated service. We also said farewell to our long time Monday afternoon receptionist Carol Siano. Carol served as a volunteer in the office for many years and is missed. Thank you, Carol.

The Hampden Senior Center also thanks the many corporate sponsors that provide support to us throughout the year. Assisted livings, home care agencies, financial institutions, private business sponsors and more are stepping up to provide donations of food, volunteers, monetary support and anything else we need! We are forever grateful for this support.

Older adults in Hampden are a precious resource needing encouragement, support and our appreciation. Thank you for your support of the Hampden Senior Center.

HAMPDEN FIRE DEPARTMENT 2015 REPORT

The Hampden Fire Department responded to 121 calls in the calendar year 2015. Each call is reported electronically to the State and Federal government. The percentage of calls in each category is as follows:

- False Alarm / False Call: 38%
- Fire: 38%
- Hazardous Condition (No Fire): 7%
- Rescue & Emergency Medical Service Incident: 11%
- Service Call: 3%
- Severe Weather & Natural Disaster: 1%
- Good Intent Call: 11%

Please note that 11% of the 2015 calls were Emergency Medical Responses. Under agreement with the Selectmen and the Hampden Police Department, the Hampden Fire Department will respond to medical calls at the discretion of the Hamden Police Department. Generally, these responses occurred when AMR ambulance was going to be delayed in their response or the police department had multiple simultaneous calls.

Hampden Fire Department is a volunteer department and we are always looking for dedicated committed women and men to train to be firefighters. If you are interested in serving and are between the ages of 18 - 65 and live within 1 mile of the Hampden Town line please see the town website for more information. We are in critical need of volunteers who are able to respond on weekdays from 8 am - 5 pm.

Respectfully submitted,

Michael Gorski
Hampden Fire Chief
