September 9—Five Feet Apart

Stella is a vibrant, fun-loving 17-year-old. Unlike most teenagers, Stella has to spend much of her time living at a hospital as a cystic fibrosis patient. When Stella meets Will, a charming and rebellious fellow patient, she feels a powerful connection—but restrictions dictate that she and Will maintain a safe distance between them. As their feelings grow, Stella and Will face a life-changing question: How does love feel when even a single touch is off-limits? Cast: Haley Lu Richardson, Cole Sprouse

September 16—Isn’t It Romantic

New York City architect Natalie works hard to get noticed at her job, but is more likely to be asked to deliver coffee and bagels than to design the city's next skyscraper. And if things weren't bad enough, Natalie, a lifelong cynic when it comes to love, has an encounter with a mugger that renders her unconscious, waking to discover that her life has suddenly become her worst nightmare — a romantic comedy — and she is the leading lady. Cast: Rebel Wilson, Liam Hemsworth

September 23—Mary Poppins Returns

The magic continues in Disney's classic as Mary Poppins helps the Banks family remember the joy of being a child. Together with her friend Jack the lamplighter, fun is brought back to the streets of London in a celebration that everything is possible... even the impossible. Cast: Emily Blunt, Lin-Manuel Miranda

September 30—Instant Family

Adopting three foster children at once thinking that it's a perfect way to start a family, Pete and Ellie fail to consider that their new charges may be hellions -- which they are. Not only do the kids flout the rules, they see no reason for parents. Cast: Mark Wahlberg, Rose Byrne, Octavia Spencer
