#### REPORT OF THE TOWN ACCOUNTANT

This year, the accounting ledgers of the Town were successfully converted from the old, restrictive, Massachusetts Finance System, to the new, universally accepted, Uniform Municipal Accounting System (UMAS).

Out of 351 cities and towns in the State, less than 12 have completed this transaction, and I am pleased that we are one of the towns to have accomplished this change.

The Thomas J. Scanlon Accounting Firm has completed a three year audit of the Town books, and the results of this audit may be examined by anyone by contacting the Town Clerk during her regular working hours.

Respectfully Submitted,
Cliff Bombard,
Town Accountant

#### BOARD OF ASSESSORS

The implementation of the Town's revaluation has proven to be a vast accomplishment for Hampden. The revaluation was not without complications or errors. The over all revaluation was viewed as very good by this Board. The Board thanks the Town's people for being cooperative and understanding through the entire project.

To protect the Town's investment of the cost of the revaluation and comply with the requirements of State law, the Town will maintain fair market value on a triennial schedule. The cost of this maintainance program was built into the initial revaluation and it is not necessary to seek funding until Fiscal year 1985.

Of the many needs for the Town this Board of Assessors knows there is a great need for Town Maps; maps that will assist five Town Boards to effectively perform their appointed—elected duties. In the warrant to be presented at the annual Town Meeting, will be a request for funds to contract and purchase a Town Mapping System. Costs of mapping are large, a reason the matter has continuously set aside. This matter must be addressed.

Please attend the Town's annual meeting to hear about this very essential need and vote your convictions.

Sincerely,

HAMPDEN BOARD OF ASSESSORS Richard A Jalbert, Chairman Stanley Witkop Henry Baush

We are happy to report that our accident rate decreased again in 1983. Our accident statistics show a 33% decrease in the number of accidents reported to and investigated by our department. This reduction in our accident rate can be attributed directly to our selective enforcement traffic program. In 1982 a total of 330 motor vehicle citations were issued. In 1983 a total of 1010 motor vehicle citations were issued. As a result of this, according to recent state insurance information, Hampden was one of only 4 communities in western Massachusetts to realize a decrease in their car Insurance. In many cases insurance rates are based on traffic accident statistics. This increase in our selective enforcement traffic program also can be seen in the amount of traffic fines and court costs assessed. in 1982 our records indicated that \$10,864 were assessed in court costs, traffic and other fines. In 1983 our records indicate that \$17,704.00 was assessed and that 289 traffic cases are still pending. We will be continuing our traffic programs in 1984 with the hope of reducing our accident rate even more.

The following officers attended inservice training programs in 1983 conducted by the Criminal Justice Training Council. Sgt. William Chechile, Technical Accident Investigation School (40 hours), Drug Raid Planning and Execution (16 hours), First Line Supervisor Training (8 hours), Drug Abuse Enforcement Law and Procedures (8 hours), Officer Raymond Schmuck, F.B.1. Firearms Instructors' Course (40 hours), Drug Abuse Enforcement Law and Procedures (8 hours), Drug Raid Planning and Execution (16 hours), Officer Mark Reisner and Reserve Officer James Collins both attended monthly K-9 Inservice programs. All full time and reserve officers also completed their

#### Police Department P4

CPR refresher courses as required. All full time officers completed their required firearms training course.

In September, 1983 Officer Robert A. Newton retired at the mandatory retirement age from Hampden Police Department. Officer Newton served the Town of Hampden for more than 20 years as a dedicated police officer. He is the first officer from Hampden Police Department to retire at the mandatory retirement age. Along with all the members of the police department we wish Officer Newton many happy retirement years.

I wish to thank the Board of Selectmen for their continued support and cooperation, the members of the Hampden Police Department for their extra effort during the year to help reduce our highway accidents and make our roads safer for all citizens, the Fire Chief and Highway Superintendent for their continued cooperation throughout the year.

Respectfully submitted, George K. Stone, Jr. Chief of Police Due to the ever increasing awareness and carefulness of the people in Hampden, the Hampden Fire Department is excited to say that the number of fire calls have been receding each year. In 1981, the number of fire calls were 65; in 1982, the amount declined to 57; and in 1983, the amount was 52.

The Hampden Fire Department is still very active in the Hampden County Mutual Aid program. We did not have to respond to any nor did we call for any.

In 1983, we had 34 calls for smoke detector inspections. In the Commonwealth of Massachusetts, the general law requires you to have smoke detectors in your home before it is sold or transferred and they have to be inspected by the Fire Department. You may obtain additional information on this by calling the Fire Department at 566-3314 - Monday through Friday. Please try to give the Fire Department a two (2) week advance notice prior to the closing date for an inspection.

Outdoor burning is permitted from January 15th. through to May 1st. The hours for burning are from 10 s.m. to 4 p.m. Burning permits are to be requested daily from the Hampden Fire Department by calling the office at 566+3314. Weekend burning permits must be requested by calling one of the following numbers: 566-3776, 566-3441, or 566-3963.

#### REPORT OF THE FOREST FIRE WARDEN

There were four (4) grass fires and four (4) fires at the . Sanitary Landfill during 1983.

Outdoor burning is still restricted to January 15th. through to May 1st.

A special "thanks" to the people who showed up and worked in putting out grass fires, and kind of disappeared in the hussle and never received a "thank-you". We wish to thank you all, whoever you might be.

Respectfully, Richard A. Hatch Forest Fire Warden

#### REPORT OF CEMETERY COMMISSIONERS

The Cemetery Commissioners held their prescribed quarterly meetings and were happy to have the generous assistance of Corinne Dunwoody again.

Loaming and seeding was done on the cemeteries as well as fences at both cemeteries were repaired and painted.

Any individual desiring any assistance at the cemetery may contact any member of the Board of Cemetery Commissioners.

Regular meetings of the Board will be held at the Town House on the second. Tuesday of January, April, July and October at 7:30 P.M.

Respectfully submitted,

Robert F. Sazama Jr., Chairman Arthur H. Gerrish Frank Prouty Cemetery Commissioners

#### REPORT OF THE COUNCIL ON AGING

Hampden's 588 senior citizens enjoyed their 6th year of services from the Council on Aging whose stated goal is to enhance elders' lives and to keep the frail in their own homes as long as possible.

One of our priorities is to provide reliable transportation. We logged 5,333 total rides for 94 different elderly or handicapped individuals to medical appointments, therapy, shopping, visiting, hair appointments, meals, classes, clinics and personal business. We contracted directly with PVTA for the third year to reduce middle costs while maintaining service levels, and hired a new driver, Carl Hatch.

Morning office hours were increased with the hiring of our new federally funded Senior Aide, June Bandoski. She works to provide daily information and referral telephone service.

A grant funded outreach program was continued to personally acquaint every senior in Hampden with our services and to fill out the Vial of Life Emergency Medical Forms. We distributed government surplus cheese and butter to eligible people of all ages three times during the year. A new service, Fuel Assistance Intake, was added this year for the Town's elderly and handicapped. Weatherization programs were also organized.

Janis DeGrandpre, Meal Site Manager for Home Care Corporation, reports 5,494 meals were served by 20 volunteers in the Melville Room where the food is good but the company is better. 2,596 home meals were delivered by 5 different volunteers to shut-ins.

The Visiting Nurses Assocation, under contract with Home Care Corporation conducted monthly health clinics. We made referrals and followed them up for home makers and health aides from Home Care. Other Health services include a monthly private pay Foot Care Service attended by 35 different seniors, 17 appointments made for free eye exams to Springfield Optometrics, and 139 Flu Clinic reservations at the Town Clinic.

Seniors were encouraged to keep active in weekly programs:
A YMCA exercise program and a Cake Decorating Class were conducted at the Town House and a Swimming Program was held at Trinity Church. Costs of these programs are supported in whole or in part by the participants themselves. To keep Council expenses minimal, we were very fortunate to have the following Seniors VOLUNTEER as instructors in various programs: Helen Tower-Art Class, Julia Terzi-Crochet, Alice Moriarty & Edna Slater-Needlepoint on Mesh, Edith Maher-Candlewicking Workshop. A new Ceramics program has also begun. An Income Tax Service was set up with volunteer AARP Tax Counsellors. Monthly bus trips were co-sponsored with the Scantic Senior Citizens Club, as well as a ten team Bowling League--all at no cost to the Town.

#### REPORT OF THE COUNCIL ON AGING P2

All of our activities are detailed in the SCANTIC SCRIBE, a monthly six page newsletter sent to all senior households. The expenses are borne equally by the COA and the Scantic Senior Citizens Club; it is edited by the COA director with the help of numerous volunteers in printing, assembling and some delivering. Our SCRIBE is now mailed out at reduced postage through a non-profit organization, FRIENDS OF THE HAMPDEN SENIOR CITIZENS, who have also been busy raising money through a series of dinners and luncheons organized by Lorna Cox, assisted by an army of volunteers.

The Council sent delegates to Western Massachusetts Association of Councils on Aging and the state directors association. Ralph Forsstrom again served as Iris Holland's counterpart on the Silver Haired Legislature, as well as the Home Care Board and Area Agency on Aging Advisory Council.

We thank the Selectmen and Townspeople, including 47 regular volunteers, and the many seniors who join in to get each project off the ground. We still cherish the thought of having a senior center completely accessible to all who would wish to participate.

Respectfully submitted,

### HAMPDEN HOUSING AUTHORITY 26 Springmeadow Lane Hampden, MA 01036

The year 1983:

The present elected members of the Hampden Housing Authority are: William J. Donnelly, Chairman, Charles T. Schmitt, Vice-Chairman, Sherwood W. Cronk, Secretary and State Appointee, Clifford E. Attleton, Treasurer and Florence E. Kirk, Assistant Treasurer. Our staff from the Southern New England Management Corp. are: Christopher M. Carr, Executive Director and Rental Agents Sylvia Kirby through June and currently Olivia Parrish.

We are ever alert to the well being of our Centennial Commons residents. The Emergency Contingency Committee met with us regarding a written emergency plan for the area in conjunction with a Civil Defense Plan for the Town of Hampden. And both the Police Department and Fire Department met with the tenants early in the year to discuss their emergency procedures.

Again this year, the water tests have been consistently satisfactory.

Early in the year the Hampden Housing Authority met with a representative from the Executive Office of Community Development Bureau of Housing and inspected a proposed piece of property for a possible housing site in the future. After much waiting for an approval of our request, it was denied. We will, however, continue with our efforts in this line. And we recently applied to H.U.D. for funding of 10 additional units for the Town of Hampden under the existing Section 8 Housing program for Fiscal Year 1984.

We had hoped that by this report, we would have seen the painting and repairs job at the project finished; but due to the stringent specifications from EOCD, with architect' changes, and the time consumed in waiting to get approval to put the job out to bid, the project will not be started until the spring of 1984. Bids will be opened at the January 1984 meeting of the Authority.

Also in 1984, we are looking forward to the start of a Landscaping project which will involve more parking areas for the tenants, and possibly for the public when attending events held at the Commons or when visiting there.

The Centennial Commons Complex consists of 56 Units, 6 or which are designed for the handicapped. There are 54 one bedroom units and 2 two bedroom units and a Community Building which serves as the "meeting place" for activities of the residents and the Hampden Housing Authority regular and special meetings.

The Authority is under direct supervision of the Executive Offices of Communities and Development in conjunction with our contract for 40 years, Section 8, Federal subsidy with the Dept. of Housing and Urban Development (HUD) for our Centennial Commons Complex Housing for the Elderly; and also in Contract for the Affirmative Fair Housing Marketing Plan.

Respectfully submitted,

Hampden Housing Authority Committee ----

#### CENTENNITAL COMMONS

We had a very active 1983. Our first get to-gether was a Pot Luck Supper in March. It was well attended. This is one of many Popular Events.

In June, with good weather, we enjoyed our Annual Picnic. The food and good fellowship made it a great day. We are now including a welcome reception for all new tenants, and a birthday party every month for those born in that month.

Our gardens didn't do very well this year. The cold and rains kept us away so we were late getting started. It was almost a 'no win' situation. However, our flowers came along later and made a good showing.

Our Annual Bazaar and Bake Sale held in October is a project that is worked on all year by a group of ladies called the Busy Bees. They meet every Monday morning and all the tenants are welcome to join in the Arts and Crafts.

Looking forward to Christmas is when our Community room takes on a festive look. The tree becomes prettier each year; and the Christmas party with plenty of refreshments and prizes is a happy occasion.

We have quarterly meetings with the Tenant's Association in March, June, September and December. Our officers are: Harold McLean, president, Kathryn Conway, Vice-President, Pauline Booth, Secretary and Muriel Ryan, Treasurer.

Respectfully submitted,

Pauline Booth - Secretary

#### REPORT OF LIBRARY - 1983

The Hampden Public Library enjoyed a busy year in 1983. Both book circulation and library attendance increased.

During 1983 the library staff attended several roundtable discussions and workshops with other librarians from Western Massachusetts. Topics included reference materials, cataloguing, library administration, and children's programming.

The library received an Arts Lottery Grant which was used to purchase story filmstrips and cassettes.

This year the library participated in Polaroid Corporation's Check This Out Program and received two Polaroid Sun Cameras which are available for our patrons to borrow.

The 1983 Summer Reading Program was very successful with 36 children completing the required reading and receiving a reading certificate and paperback book. Thanks to Mrs. Elinor King for our summer reading bulletin board. Many children also attended the weekly vacation movies at the library this summer.

The library conducted several storyhour and craft sessions for preschool children and hosted a visit from Santa Claus on December 17.

We want to thank Mrs. Bittner's class at Green Meadows School for their art work that decorated the library.

In 1983 a bequest was made to the library to establish the Charles S. Bellard Memorial Fund and the George T. Bellard and Delia M. Bellard Fund. The income from these funds is to be used to purchase books. The library received a donation from the employees of Shawmit First Bank in memory of Francis F. Rochford that was used to purchase a 35 volume pet of home repair and improvement books.

We want to thank all our patrons who donated books, magazines, and other items, and supported the library during 1983.

The Library Trustees meet on the third Wednesday of the month.
