Meeting Minutes

Members present:

John Plaster (Chair), Paul Garwacki (Commissioner) Craig Rivest (Commissioner)

Absent: none

The Water Commission reviewed the two bids we received for work required to add 98 Scantic Road to the water system. Both bids were reasonably close in price. The members all agree that we need to move forward and get the work done as quick as is reasonably possible.

Paul Garwacki made a motion that we contact the bidders and see on what date each one could commit to the project. The one that can get it done soonest would be awarded the contract. Craig Rivest seconded the motion, it passed unanimously.

John Plaster contacted the bidders after the vote.
